Intercessory Prayer Call

Mobilizing the Church for Spirit Empowered Mission

Pray for Africa's University Students

Pray for Africa's University Students

Graduates of African colleges and universities exert tremendous influence in their societies—far more than in the west. That's why African university ministries are so strategic to the evangelization of the continent and the mobilization of the African church. This month we will intercede for the three-million college and university students studying in sub-Saharan Africa. We will also call on God to pour out His Spirit on our Assemblies of God university ministries across the continent. —Denny Miller, Editor

Pray for Africa's University Students and Student Ministries

Three million students are currently studying in colleges and universities in sub-Saharan Africa. Please set aside time to intercede for the following:

- Pray that God will sovereignly pour out His Spirit on the colleges and universities of Africa and the Indian Ocean Basin, that thousands of African students and professors will be saved, filled with the Spirit, and mobilized as Christ's witnesses to the university and beyond.
- Pray for the hundreds of African believers presently ministering to university and college students in Africa, that God will empower them by His Spirit.
- Pray that God will raise up hundreds of additional Spirit-anointed ministers to reach the colleges and universities of Africa.
- Pray for our Assemblies of God leaders as they begin to strategically target universities and university students in Africa.
- Pray for the leadership of the Assemblies of God Nigeria as they soon launch Evangel University in Enugu.
