

# *Statement of Commitment*

## *Pentecostal Assemblies of God of Namibia*

We, the leadership of the Pentecostal Assemblies of God of Namibia, on this the fifteenth day of September 2007, submit ourselves to the leadership of the Holy Spirit, knowing that it is only through His empowerment that we will be able to fulfill our mission as a church.

Therefore we commit ourselves to:

- *maintain a spiritual emphasis that will saturate our movement with Holy Spirit power resulting in 100% of our membership receiving the Baptism in the Holy Spirit*
- *establish thirty new churches*
- *create an atmosphere in our churches whereby forty pastors and thirty new students are called to enter into ministry and training*
- *attain a total constituency of not less than five thousand total adherents within the next three years.*
