

INTERNATIONAL ASSEMBLIES OF GOD

DECADE OF PENTECOST DECLARATION

Having received the challenge during the Decade of Pentecost Minister's Institute in Johannesburg, 12-15 September 2011, the leaders, pastors and delegates of the International Assemblies of God make the following Decade of Pentecost commitments:

Through the help of God the Almighty, we strive to reach the following goals between September 2011 and December 2020:

- Have 100% of our members baptized in the Holy Spirit
- Have 100,000 new born-again and Spirit-filled believers
- Plant 1,000 new churches
- Raise up intercessors in every church who will pray daily for the Decade of Pentecost
- Through our various Bible schools, train 1000 pastors
- Establish a national missions desk and district sub-structures to mobilize the church for home and foreign missions
- Have 30 missionaries who are fully supported by the church
- Establish evangelistic teams in every district.

The following strategy will be implemented by a committee assigned to ensure that our goals are achieved:

- A survey to be conducted and accurate statistics to be kept
- Monitoring of progress of set goals in each district
- Encourage all structures of our church, i.e., districts, zones, and local assemblies, to engage in aggressive evangelism and church planting campaigns
- Organise conferences at various structures of our church on the Holy Spirit and Missions
- Raise strong consistent financial support for Bible schools and missions
- All pastors to be encouraged to seek to be filled and led by the Holy Spirit throughout the Decade of Pentecost.
