

Pentecostal Resources Offered by the Acts in Africa Initiative

(July 2014)

One ministry commitment of the **Acts in Africa Initiative** is to “provide resources for African leaders seeking to lead their churches into Pentecostal experience and Spirit-empowered mission.” The ministry is constantly working to provide new resources. Listed below are several that the ministry has developed in the past few years. Most are available for free download from www.DecadeofPentecost.org. If there is another Pentecostal or missionary resource that you need, just let us know. We may be able to help you.
