

Africa AG Leaders Meet in General Assembly

AIA Director, Denny Miller presents the AIA-DOP Report to the AAGA General Assembly.

About 100 leaders from across Africa gathered for the Africa Assemblies of God Alliance (AAGA) General Assembly in Johannesburg, South Africa, on February 15-17.

The church leaders came together to conduct business and to project the way forward for their Decade of Pentecost emphasis from 2010-2020.

The meeting was led by Rev. Djakouti Mitre, outgoing AAGA Chairman. Dr. Barnabas Mtokambali, General Superintendent of the Tanzania Assemblies of God was elected to serve as Chairman for the next four years, and Rev. Michel Ouedradgou, President of the Burkina Faso AG was chosen as Vice-Chairman. Dr. Dick Brogden, director of Live-Dead, Arab World, spoke in the evening services. He challenged the delegates to abide in Christ and to target the hard places and peoples of Africa with their church planting efforts.

On Wednesday, Acts in Africa (AIA) director, Denny Miller, presented a report concerning the activities of the ministry along with an update on the progress of the Decade of Pentecost emphasis. He further reported on the growth of the Africa AG during the Decade of Harvest (1990-2000), during the intervening decade (2000-2010), and thus far during the Decade of Pentecost (2010-2016). He noted that, according to reports received by AIA, the Africa AG intend to plant 49,000+ new Spirit-empowered missionary churches by the end of the decade.
