## Pray for the Africa AG's New Strategic Initiatives

In their quest to advance the vision of the Decade of Pentecost, Assemblies of God churches across Africa, along with their missionary partners, are inaugurating powerful new strategic initiatives. These Decade of Pentecost initiatives include bold new ventures in the areas of ministerial training, lay discipleship, church planting, Pentecostal renewal, compassionate response, and frontier missions. This month we will focus our prayers on these strategic initiatives. As you pray each day, believe God to supernaturally inspire and enable spiritual leaders to implement these initiatives throughout Africa. —Denny Miller, Director, Acts in Africa Initiative

Pentecostal renewal is at the heart of the church's new strategic initiatives. Here Tanzania Assemblies of God national evangelists commit themselves to conducting hundreds of Acts 1:8 Conferences throughout the country.

- Republic of **Sudan**
- Republic of the **Seychelles**
- Republic of **Zambia**

### Africa's Unreached Ethne: *Sudan*

Twelve million Sudanese Arabs live without the light of Jesus.

More than 160 distinct people groups live in the northeastern African country of Sudan. The country is 90% Islamic and is home to 132 unreached tribes amounting to 22.5 million people. Only 0.4% (4 in every 1,000) know Christ as Savior. The four largest unreached people groups in Sudan are the Sudanese Arabs (12.6 million), the Gaalin (3.3 million), the Beja (2.9 million), and the Guhyana (1.9 million). Since the division of the country into Sudan and South Sudan in 2011, almost all Christian workers have been expelled from the country.

Pray to the One who opens doors that no man can shut (Rev. 3:7) that the door to the proclamation of the gospel be opened in Sudan. Pray that the Spirit will move on the hearts of Sudanese both inside and outside the country, drawing them to Christ. Pray to the Lord of the Harvest that He will thrust forth laborers into this land of deep spiritual darkness (Matthew 9:38).
