## Sending Missionaries to Africa's Unreached

Church leaders discuss the missions mobilization plans at the Acts 1:8 Conference held in N'djamena,

**This month we will pray for the emerging missions sending agencies of the Africa Assemblies of God.**

National AG churches are mobilizing themselves for missions during the Africa Assemblies of God Alliance Decade of Pentecost emphasis. One key way they are doing this is by forming missions sending agencies within their churches.

These agencies have been given the responsibility of organizing the church to send missionaries to the unreached peoples and places within their own countries and beyond. Their responsibilities often include mapping and targeting unreached peoples and areas, recruiting and sending new missionaries to the field, and inspiring local churches and church leaders to get involved in missions. Some of these missions agencies have a long and successful history of missions mobilization. Others are just emerging. All need our prayers.

### Africa's Unreached Ethne: The Maninka of Guinea

Maninka Woman

More than 3 million Maninka live in the West African country of Guinea. They are one of 29 unreached people groups residing in the country and represent about 25% of the total population. The Maninka typically live in large, walled-in villages. Their round homes are built of sun-dried bricks topped with thatched-roofs.

Though the Maninka are overwhelmingly Muslim, they mix their Islam with their traditional African beliefs. As a result, their lives are dominated by superstition and fear. It is not uncommon for a Maninka man to pray in the village mosque and then go out and sacrifice a chicken to the spirit of the land.

**Pray** that God will move by His Spirit on the hearts of the Maninka people of Guinea. **Pray** against the spiritual powers and principalities that have dominated their lives for centuries. **Pray** to the Lord of the Harvest that He will send laborers to the Maninka. **Pray** for the Guinea Assemblies of God that God will use them to plant churches among the Maninka and other unreached people groups in Guinea.
