Funding Africa's Missionary Mandate

Assemblies of God members in rural Malawi give in a missions offering.

The Africa Assemblies of God will need millions of dollars to fulfill their missionary vision.

During their Decade of Pentecost emphasis from 2010-2020, the 50 national churches of the Africa Assemblies of God Alliance have committed themselves to planting 48,578 new churches and deploying 208 new missionaries to the unreached tribes of Africa and beyond. They have further committed themselves to training 29,750 Spirit-empowered pastors, missionaries, and church planters. All of this will require huge sums of money.

Where will this money come from? The bulk of it will come from the 18 million members and adherents of the Africa AG. As they commit themselves and their finances to God and His mission, He will surely supply the need "according to His riches in glory by Christ Jesus." This month we will believe God for financial provision for the Africa AG "Decade of Pentecost." —Dr Denny Miller, Director, Acts in Africa Initiative

Hausa Man.
Only 1 in 10,000
Hausas know Christ
as Savior.

With a population of 186 million people, Nigeria is the most populous country in Africa. It is also the most diverse with 543 distinct people groups. Ninety-five of those people groups, making up 62 million people, are considered unreached. The largest of these unreached peoples are the Hausa (29 million), the Fulani (19 million), and the Kanuri (8 million). All are Islamic.

Pray that God will pour out His Spirit on the unreached peoples of Nigeria.

Pray against the spiritual powers and principalities that have dominated their lives for centuries.

Pray to the Lord of the Harvest that He will send laborers to the unreached peoples of Nigeria.

Pray for the Assemblies of God Nigeria that God will use them to plant churches among the country's millions of unreached people.
