Managing Transition in the Africa Assemblies of God

During their Decade of Pentecost emphasis from 2010 to 2020, Assemblies churches across Africa find themselves in a state of constant transition.

Across the continent, Assemblies of God churches are growing. According to the end of 2017 report, the moment now boasts 23 million adherents meeting in 83,000 churches across the continent. This represents a gain of about a half million new adherents and 18,000 new churches in just one year. Such growth inevitably results in change. And change, if not managed well, can result in conflict. This month, we will ask God to give the leadership of the Africa Assemblies of God the wisdom and godly insight they will need to effectively manage this change and to continue to move their churches forward in the power of the Holy Spirit. — *Dr. Denzil R. Miller, Director, Acts in Africa Initiative*

Africa’s Unreached Ethne: *The Hindus of Mauritius*

Mauritius is a small island nation in the Indian Ocean Basin off the East coast of Africa. The majority religion of Mauritius is Hinduism (48.5%) followed by Christianity (32.7%) and Islam (17.2%). Only 8% of Mauritians know Christ as Savior. About 100,000 Pentecostal Christians worship in 144 Assemblies of God churches throughout the island.

Pray that God will pour out His Spirit on the Hindus of Mauritius opening their hearts to the truth of the gospel.
