## Pray for North Africa

**The Africa Assemblies of God are looking northward to the unreached peoples and places of North Africa.**

In recent meetings of the Africa Assemblies of God Alliance, the organization has turned its attention to North Africa. They have set ambitious goals of establishing viable AG national churches in Mauritania, Western Sahara, Morocco, Algeria, Tunisia, and Libya by the end of 2022. According to the Joshua Project, 156 unreached people groups reside in these six countries amounting to about 100 million people. These UPGs comprise 99% of the population of these nations with only .10% knowing Christ as Savior.

This month we will focus our prayers on these six Islamic nations. We will further pray for the emerging missions movements in the Africa Assemblies of God, that the Holy Spirit will embolden, direct, and empower them to send missionaries into North Africa. —Dr. Denny Miller, Director, Acts in Africa Initiative

AAGA's six target countries contain 156 unreached peoples groups comprising more than 100 million lost souls.

## Pray for Africa AG Missions to North Africa

**Please intercede for the following:**

**Pray** that God will sovereignly pour out His Spirit on the countries of Mauritania, Western Sahara, Morocco, Algeria, Tunisia, and Libya.

**Pray** that God's Spirit will move through the Africa Assemblies of God as they mobilize to send missionaries to North Africa.

**Pray** that the Spirit of the Lord will awaken prayer movements for North Africa throughout the Africa AG.

**Pray** to the Lord of the Harvest, that He will send African missionaries to North Africa to plant the church there.

**Pray** that Africa AG national missions departments will be strengthened so that they are better able to send and support missionaries to North Africa.

**Pray** for Bible schools across Africa, that they will come alongside their national churches in mobilizing the church for Spirit-empowered missions.

### Africa's Unreached Ethne: The Amazigh of Algeria

About 10,000 indigenous Amazigh (also known as Berbers) live on the island of Djerba in the Mediterranean Sea just off the northern coast of Algeria. Their name literally means *free people*. Christianity came to them early in the Christian era; however, in the centuries that followed they converted to Islam. Amazigh people also reside in other parts of North Africa. They are almost entirely untouched by the gospel. **Pray** for God to move by His

Spirit on the Amazigh people opening their hearts to the message of Christ. **Pray** that God will raise up workers from the Assemblies of God and other groups to go to the Amazigh of North Africa. **Pray** that the door will be opened for missionaries to enter Algeria and other North African countries.
