Reporting on the Move of the Spirit in the Africa Assemblies of God

Published by the Acts in Africa Initiative

EDITION 97 ~ JUNE 2019

## AIA Announces New Decade of Pentecost Publication

The Acts in Africa Initiative have recently published a new book, entitled, *Mobilizing for Mission: 12 Lessons on Spirit-Empowered Missions*.

The book, written by Acts in Africa director, Denzil R. (Denny) Miller, is a compilation of twelve lessons developed and taught by AIA team members in Acts 1:8 Conferences across Africa.

Said Miller, "This could possibly be the most significant book AIA has ever published. God has used the lessons contained herein to help mobilize the Africa Assemblies of God for its greatest

church planting and missions advance in the movement's 100 year history."

The Africa Assemblies of God are now involved in a great "Decade of Pentecost." During the ten years between 2010 and 2020, they have committed to seeing 10 million new believers baptized in the Holy Spirit and empowered as Christ's witnesses to the lost. They have further determined to plant 50,000 new churches and deploy hundreds of missionaries to many of the yet-to-be-reached tribes in Africa.

At present, the Africa Assemblies of God comprise 50 national churches in Sub-Sahara Africa and the Indian Ocean Basin. The movement includes more than 83,000 local churches and 22 million adherents.

Mobilizing for Mission is designed to help pastors and church leaders in this mobilization effort. Chapters include, "The Holy Spirit and the Mission of God," "Planting the Spirit-empowered Missionary Church," "Leading a Church into Pentecostal Revival," "How to Preach on the Baptism in the Holy Spirit," "Praying with Believers to Receive the Spirit," "Pentecost and the Next Generation," "The Pentecostal Leader," and more. Also included in the book is a step-by-step guide for conducting a local Acts 1:8 Conference.

The 188 page book is available for purchase in paperback or Kindle format on Amazon.com. Or it can be downloaded for free in PDF e-book format at [www.DecadeofPentecost.org/e-books/](http://www.DecadeofPentecost.org/e-books/).

Mobilizing for Mission is a valuable tool for pastors and church leaders seeking to lead their churches in to authentic Pentecostal revival.

## Praise Reports Requested

On June 9, thousands of local Assemblies of God churches across Africa celebrated "Day of Pentecost 2019." On that day, pastors preached messages on the Holy Spirit and missions and prayed with their people to be empowered by the Holy Spirit.

The Acts in Africa Initiative is now requesting that pastors send praise reports to the Decade of Pentecost office. The ministry would like to share your revival story in an upcoming Decade of Pentecost Report. Please send your Day of Pentecost testimonies to [ActsInAfrica@agmd.org](mailto:ActsInAfrica@agmd.org).

The Africa Assemblies of God Decade of Pentecost theme for 2019 is "EVERY NATION. EVERY TRIBE. EVERY TONGUE. *By the Spirit's Power We Must Reach Them All.*" Promotional resources are available in English, French, Portuguese, and Spanish at the Decade of Pentecost website
