

Intercessory Prayer Call

The Africa Assemblies of God Decade of Pentecost (2010-2020)

Published by the Acts in Africa Initiative

EDITION 134 - AUGUST 2019

Missions Committees are Highly Strategic

Local missions committees play an vital role in the advance of the Assemblies of God across Africa.

A large percentage of the more than 80,000 Assemblies of God churches across Africa have active missions committees. These committees go by various names, such as outreach committee, missions committee, Acts 1:8 committee, church planting committee, and the like. They are responsible for planning and carrying out the missions activities of the church and are often manned by the church's most committed and visionary members. Most of the thousands of Assemblies of God churches planted across Africa during the Decade of Pentecost were initiated by these committees. This month we will intercede for them. We will pray that God will pour out His Spirit on them, giving them the faith and vision they need to faithfully carry out their work

—Dr. Denny Miller, Director, Acts in Africa Initiative

Like thousands of new churches in Africa, this rural church plant in Malawi was initiated by a local missions committee.

Intercede for Local Missions Committees

As you do, pray for the following:

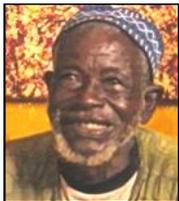

Pray that God will powerfully pour out His Spirit on the thousands of missions and church planting committees in Assemblies of God churches across Africa.

Pray that God will give them the vision and faith they need to effectively carry out their responsibilities.

Pray that God will grant them Spirit-inspired zeal to launch new efforts and holy boldness to carry them out.

Pray that God will provide them and their churches with the necessary funds needed to complete their evangelism, missions, and church planting projects.

Africa's Unreached Ethne: The Zarma in Niger

Zarma man of Southwestern Niger

About 4 million Zarma (Songhay) people live in the southwestern part of Niger bordering Burkina Faso. They are mostly rural agriculturalists. According to the Joshua Project, only one in every thousand Zarma know Christ as Savior. They practice folk Islam in which they mix their traditional animistic beliefs with their worship of Allah.

Pray that God will pour out His Spirit on the Zarma people of Niger opening their hearts to the message of Christ.

Pray to the Lord of the Harvest that He will send Spirit-empowered missionaries to reach the Zarma with the good news about Jesus Christ. **Pray** for the Assemblies of God churches of Niger and West and Central Africa, that God will use them to plant Spirit-empowered churches among the Zarma. **Pray** against the radical Islamic group Boko Haram who are terrorizing the people of Niger.
