

Intercessory Prayer Call

The Africa Assemblies of God Decade of Pentecost (2010-2020)

Published by the Acts in Africa Initiative

EDITION 142 ~ APRIL 2020

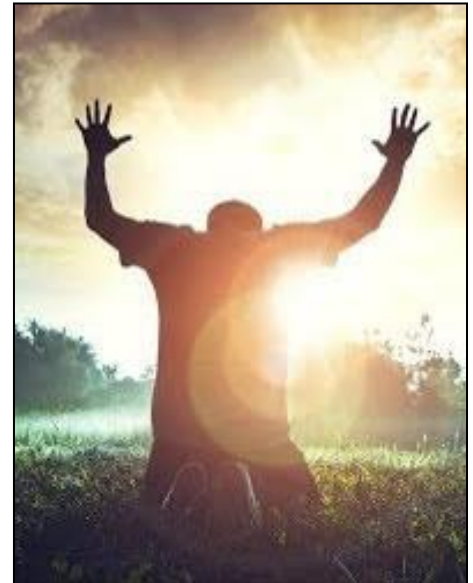

Pray for Divine Protection

Jesus has promised to protect those who go into the world and preach the good news (Mark 16:18).

He told His disciples, "Behold, I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing shall hurt you" (Luke 10:19).

This month we will pray for our valiant African missionaries and church planters who are putting themselves in harms way to advance God's kingdom in Africa and beyond. We will boldly claim for them God's promise of divine protection.

Join Us in Interceding for the Following:

Pray against the corona virus that threatens the peoples of Africa and the world (Psalm 51:5-7).

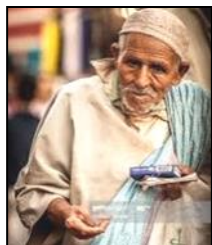

Pray against other pandemic killers in Africa, such as malaria, malnutrition, water-borne diseases, and HIV/AIDS.

Pray for angelic protection for African evangelists and church planters ministering in hostile environments (Psalm 34:7).

Pray against Islamic extremists who are threatening and killing Christians in parts of Africa.

Pray against demonic powers and principalities holding the peoples of Africa in collective captivity (Eph. 6:12).

Africa's Unreached Ethne: Arabic Speaking Moroccans

Moroccan man with a copy of the Quran

More than 23.6 million Arabic speaking people live in the North African country of Morocco. They make up the continent's largest unreached people. Their ancestors migrated to Morocco from the Arabian Desert several centuries ago. They are predominantly peasant farmers and pastoralists, and are 99.91% Islamic, with only 9 in every 10,000 professing faith in Christ.

Pray that God will powerfully pour out His Spirit on the Arabic speaking people of Morocco, opening their hearts to the message of Christ.

Pray for Moroccan believers, that they will be empowered by the Spirit to boldly share Christ to their friends and families.

Pray against demonic strongholds that have held the Moroccan people in bondage for centuries.

Pray for our Africa Assemblies of God churches as they begin to develop strategies for planting churches in Morocco and other North African countries.
