## North African Harvest

**“When the grain is ripe, at once the farmer puts in the sickle, because the harvest has come.” (Jesus, Mark 4:29)**

The six countries of North Africa, including Western Sahara, Libya, Tunisia, Morocco, Algeria, and Egypt, are among the world’s most gospel impoverished places. According to the Joshua Project, North Africa is inhabited by 202 million people. In the same region, reside 142 unreached people groups comprising 115 million lost souls. The vast majority follow the religion of Islam. The unreached population in each of these countries totals from 90% to 100%. Egypt is the exception with 15.6% of the inhabitants designated as unreached. This month we will cry out to God for a harvest of souls in this region.
