- In consideration of the Great Commission of our Lord Jesus in Matthew 28:19-20,
- In consideration that the goal of the promise of the Holy Spirit in Acts 1:8 and its fulfillment in Acts 2:1-4 is to be witnesses of Christ at home and abroad,
- In consideration of the wisdom of the decision of the Africa Assemblies of God Alliance in Johannesburg in 2009 to establish the Decade of Pentecost,

At the conclusion of the Acts 1:8 Conference held in Ouagadougou on April 15-18, 2014, we the Assemblies of God of Burkina Faso, commit ourselves to achieve the following goals with the help of the Triune God:

1. Open five thousand (5000) new churches in villages which do not yet have churches.
2. Touch the seventy (70) ethnic groups of Burkina Faso which are reported as not yet reached.
3. Lead all members of the Assemblies of God to be filled with the Holy Spirit and to speak in tongues.
4. Raise up and send:
 - Seven hundred (700) new home missionaries within Burkina Faso.
 - One hundred (100) new foreign missionaries to other African countries.
 - Thirty five (35) new missionaries in the rest of the world.
5. Reach six hundred and fifty thousand (650,000) new disciples during the period of the Decade.
6. Train six thousand (6000) new pastors.

7. Extend the biblical and pastoral training programs including lay workers.
8. Organize Decade of Pentecost prayer committees in each local church.

Strategies to be applied for attaining these goals will follow to complete this declaration.

Signed in Ouagadougou, April 18, 2014

Le Secrétaire Général

Docteur Etienne ZONGO
