July 2014

### Rwanda PAG Joins the Decade of Pentecost

Led by General Superintendent, Rev. Claver Kabandana and other executive committee members, the Rwanda Pentecostal Assemblies of God stepped boldly into the Africa AG **Decade of Pentecost**<sup>™</sup> initiative from 2010 to 2020. The event occurred on June 13 during a special Decade of Pentecost commitment service held at the conclusion of the Acts 1:8 Conference in the capital city of Kigali, Rwanda. An Acts 1:8 Conference is a missions mobilization conference conducted for national AG churches by the Acts in Africa Initiative. About 200 pastors and other church leaders attended the Kigali conference. The service followed four days of intercessory prayer, focused teaching on the Holy Spirit and missions, and guided strategic dis-

Left: RPAG Gen. Supt. Kabandana exports pastors to fully engage in the Decade of Pentecost. Right: Each session of the conference was punctuated by intense prayer.

...gatherings of the Holy Spirit during which many were filled with the Holy Spirit. Rev. Kabandana encouraged pastors to fully commit themselves to the Decade of Pentecost, declaring, "I will lead; will you follow?" 90% of their delegates declared that they would participate in the Decade of Pentecost.

May 2014

### **Reaching the Remote Places of Africa**

In His Great Commission Jesus instructed His church to take the gospel to each person ("every creature"), every people ("all nations"), and every place ("to the ends of the earth") before His soon coming. This month we will focus our prayers on those who live in the remote, hard-to-reach places of Africa. Millions of Africans for whom Jesus died live in such inhospitable places. And because they live in dense rain forests, barren deserts, or remote mountainous regions, it will take great dedication and herculean efforts to get the gospel to them. Nevertheless, during the Africa Assemblies of God Decade of Pentecost that is exactly what we must do. Would you join us and take a few moments each day to intercede for the remote peoples and places of Africa?

This new church in a remote area of Madagascar is typical of the places where we must take the gospel.

**Pray for the Remote Peoples and Places of Africa**

*As you do, earnestly intercede for the following:*

- *Pray that God will*
