Reaching the Hard-to-Reach Places of Africa

In His Great Commission, Jesus directed His church to take the gospel to each person (“every creature”), every people (“all nations”), and every place (“the ends of the earth”) before His soon coming (Mark 16:15; Matthew 28:19-20; Acts 1:8).

This month we will focus our prayers on those who live in the remote, hard-to-reach places of Africa. Because they live in dense rain forests, barren deserts, or remote mountainous regions, it will take great dedication and heroic efforts to get the gospel to them.

Nevertheless, during the Africa Assemblies of God Decade of Pentecost from 2010-2020, that is exactly what we must do. We invite you to join us and take a few moments each day to intercede for the remote peoples and places of Africa. — *Dr. Denny Miller, Director, Acts in Africa*

Pray that the gospel will go to those who live in the hard-to-reach places in Africa.

Pray for the Remote Peoples and Places of Africa

As you pray, earnestly intercede for the following:

Pray that God will pour out His Spirit on the remote peoples and places of Africa.

Pray for our national Assemblies of God churches across the continent that they will each develop a Spirit-driven strategy for reaching into these remote places with the gospel.

Pray to the Lord of the Harvest that he will raise up missionaries willing to go to these remote and inhospitable places to declare salvation in Christ.

Pray that the Spirit will empower those who go to these remote places to preach the gospel, and that He will confirm their preaching with miraculous signs.

Country Prayer Focus February 2017

Please pray that God will pour out His Spirit on each of the following countries, and that He will guide leaders as they mobilize their churches to reach the lost in the power of the Holy Spirit. (Note: By following this country prayer focus you will pray for every country in Africa in one year.)

Africa's Unreached Ethne: *Northern Nigeria*

More than 29 million Hausa people live in northern Nigeria. They make up the largest unreached people group in the country.

Nigeria is the most populous country in Africa with 190 million residents. According to the Joshua Project, 544 different people groups reside in this great country, with 96 listed as “unreached.” The majority of these unreached peoples live in the north of the country. The largest unreached tribes are the Hausa (29 million), the Fulani (13 million) and the Kanuri (6.5 million). A total of 61.5 million people are listed as unreached. Pray that God will move by His Spirit on Nigeria and on people in each of the 96 unreached people groups in the country.

Pray that God will bring peace to northern Nigeria
Pray to the Lord of the Harvest that he will send laborers to the unreached peoples of northern Nigeria.
