Pray for a Breakthrough among African Muslims

In the last days God has promised to pour out His Spirit on “all people,” and that includes the Islamic peoples of Sub-Saharan Africa.

More than a billion people live in Africa south of the Sahara Desert. According to Pew Research Center, 248 million of those people are Muslims. In addition, Islam is the primary religion in 17 countries in Sub-Saharan Africa, with large minorities in other countries. These Islamic peoples comprise many tribes and speak many indigenous languages.

During the Africa Assemblies of God “Decade of Pentecost” emphasis from 2010-2020, several national AG churches have targeted Muslim peoples for church planting and missions outreach.

This month we will ask God to pour out the Holy Spirit on the Muslims of Africa. We will further ask Him for a supernatural breakthrough among these precious people that will result in millions coming to know Christ as Savior. .
