Asking for the Lord's Direction

Africa Assemblies of churches are mobilizing to send missionaries to the unreached peoples and places of Africa.

In thousands of missions meetings across the continent, Africa AG churches are forming strategic plans to reach their countries and the continent with the gospel. They are discovering that they have hundreds of strategic options. They are asking themselves, "What should we do next? Where should we send our next missionaries? And whom shall we send?" They realize their need for the Spirit's direction. This month we will ask the Lord of the Harvest to send His Spirit to guide the African church as it deploys Spirit-empowered missionaries into the harvest.

— Dr. Denny Miller, Director, Acts in Africa

Assemblies of God pastors at the Gambia Acts 1:8 Conference in Banjul pray over a map of the country asking the Holy Spirit to guide them in their missions and church planting efforts.

Pray that the Spirit will Guide

Africa's Unreached Ethne: The Bambara of Mali

Only 1% of all Bambara people of Mali know Christ as Savior.

About 5 million Bambara people live in south-western Mali. Most are farmers and hunters. Ninety-five percent of all Bambara claim to be Muslims; however, most continue follow their traditional beliefs, including ancestor worship. The eldest member of an extended family often serves as the clan's mediator between the living and the dead. Only about 1% of all Bambara profess faith in Christ.

Pray that God will pour out His Spirit on the Bambara people of southwestern Mali calling many to Christ.

Pray that God will open their hearts to positively respond to the gospel and be saved.

Pray for the Assemblies of God churches in Mali and neighboring West African countries, that God will use them to reach the Bambara people with the gospel.
