Pastors Are Receiving Their Sermon Outline Book

Across Africa, thousands of Assemblies of God pastors are receiving their copy of the book, *Proclaiming Pentecost: 100 Sermon Outlines on the Power of the Holy Spirit*.

During their "Decade of Pentecost" emphasis, Africa Assemblies of God churches have committed themselves to seeing 10 million new believers empowered by the Holy Spirit and mobilized as witnesses, church planters and cross-cultural missionaries. In the ten years from 2010 to 2020, these churches are focused on planting 50,000 new churches and penetrating many of the nearly 900 yet-to-be-reached people groups of sub-Saharan Africa. At present the Africa AG reports 18 million adherents meeting in 80,000 churches across the continent.

To aid pastors and church leaders in achieving their goals, the Acts in Africa Initiative has produced the book, *Proclaiming Pentecost: 100 Sermons on the Power of the Holy Spirit*. It is now being distributed throughout the continent. As African pastors receive the book they are using it as a resource to preach biblically-sound, Spirit-anointed, missions-focused sermons on the power and work of the Holy Spirit. Many have testified about how it has helped them mobilize their churches for Spirit-empowered evangelism and church planting. —Dr. Denny Miller, AIA Director

Continent-wide Distribution in Progress

The Pentecostal sermon book, *Proclaiming Pentecost*, is being distributed throughout the Africa Assemblies of God.

The book has been translated into six African languages, including English, French, Portuguese, Spanish, Swahili (East Africa) and Mooré (Burkina Faso). It is now in the process of being translated into two more African languages: Amharic (Ethiopia) and Kinyarwanda (Rwanda). Other languages are being considered.

To date, more than 22,000 copies of the book have been distributed in 21 countries across Africa. For instance, the Nigeria Assemblies of God is now printing 12,000 books to be distributed to their pastors during their upcoming Peniel Conference. The Cameroon church is printing 1,000 books to distribute to their pastors. And the Tanzania Assemblies of God will soon receive 1,000 copies in English and 5,000 in Swahili to give to each of their pastors. The goal is to place one book in the hands of each of the about 80,000 Assemblies of God pastors in Africa. Those who have already received their copies are using them, and reports are coming in to the Acts in Africa office of many being filled with the Spirit as a result.
