## More DOP Revival Reports from Across Africa

God is pouring out His Spirit on the Africa Assemblies of God

**Across the continent, Assemblies of God churches have committed themselves to the vision of the Africa AG Decade of Pentecost emphasis from 2010 to 2020.**

During the Decade of Pentecost, the 50 national churches making up the Africa Assemblies of God Alliance have committed themselves to adding 9.4 million new people to their churches, planting 49,578 new churches, and engaging 192 unreached people groups. Presently there are 867 unreached tribes in Sub-Saharan Africa.

As part of their mobilization strategy, these churches are working together to see 10-million new believers baptized in the Holy Spirit and empowered as witnesses to the lost. Exciting revival reports continue to come into the Acts in Africa office. Below are some typical examples of how AG leaders and missionaries are implementing their DOP strategies.

### The Spirit Continues to Move in Power

**TANZANIA:** Rev. Emanuel Gewe writes from Kahama, Tanzania, "Thank you so much, Acts in Africa, for your work of proclaiming the message of Pentecost in Africa. I am joining with you in spreading the flame." Evangelist Gewe has conducted several Acts 1:8 Conferences in Tanzania. In his report he continues, "This year I have preached eight conferences, and many people have been filled with the Holy Spirit." He continues to conduct conferences. He writes, "Next week I am going to preach a Holy Spirit seminar in Dar es Salaam. My heart is crying out for spreading the flame. I am praying for you."

**BENIN:** Rev. Emile Adote, President of the Benin Assemblies of God, reports, "The Assemblies of God Benin declared the month June as the Month of the Holy Spirit." The church's national leadership charged the leaders of every region to sponsor a Decade of Pentecost Holy Spirit conference. Adote shared what happened in one regional conference: "In the conference in the Atlantic Region they focused on the Holy Spirit and prayed for the faithful to be filled." The Spirit moved, and many were filled with the Spirit. Similar reports have come in from other regions.

**GABON:** Pastor Raphael Lekossi, National DOP Director for the Gabon Assemblies of God, reports that ten DOP conferences were organized in six of the nine provinces of the country. The Spirit moved in each conference. As a result, many have been empowered for the harvest.

**REUNION:** Rev. Andre Germain Gravier writes from Reunion Island in the Indian Ocean Basin, "Thank you for news of the Decade of Pentecost on the African continent. I am an Assemblies of God pastor from Reunion. Our island is also experiencing a great outpouring of God's Spirit and grace."
