Africa's Strategic Leaders: Aiming to Succeed

Strategic leaders in prayer at a West Africa Assemblies of God Alliance meeting in Lome, Togo.

Across Africa strategic leaders are developing and executing their Decade of Pentecost plans.

In 40 Acts 1:8 Conferences across Africa, 29 national Assemblies of God churches have committed themselves to plant 49,068 new churches during their Decade of Pentecost emphasis from 2010 to 2020. They have further committed themselves to deploying 2,100 missionaries to plant churches among 208 unreached tribes in Africa.

To coordinate these efforts thousands of strategic leaders meet often to review and implement their plans for kingdom advance. These strategic meetings take place on many levels: continental, regional, national, and local. In these meetings, leaders formulate strategies for Spirit-empowered evangelism, church planting, and cross-cultural missions. This month we will pray for these key leaders and committees. In their hands rests the success or failure of the Decade of Pentecost initiative. —Dr Denny Miller, Director, Acts in Africa Initiative

Africa's Unreached Ethne: The Mamprusi of Ghana

Beautiful Mamprusi Woman

About 350,000 Mamprusi live in Northern Ghana. About 15,000 more live in neighboring Togo. Most Mamprusis are animists. While they revere their supreme god, Naa-wuni, in actual practice they focus most of their attention on the appeasement of ancestral spirits. They seek to communicate with these spirits through diviners who offer sacrifices on their behalf. Only 2 in every 1,000 profess Christ as Savior.

Pray that God will pour out his Spirit on the Mamprusi people and open their hearts to the true and living God. And **pray** for the Assemblies of God of Ghana and other West African countries as they mobilize to reach the Mamprusi and other unreached tribes in the region.
